J & N ASSOCIATES

BEGINNING

J & N Associates started in 1999 on proprietor basis. The owner is having almost 40 years of Industrial Experience and expert in Sourcing. Started with representing a South Korean Manufacturer of Ni/Alloy lamination. This lamination was being used in the manufacturing of Transformer for Telecom Application. We started this lamination business and generated good volume of orders and considered as No.1 supplier of lamination in India. Later added more related products like Bobbins, all other kind of magnetic components into the profile.

GROWTH

After initial success we had in the stage to grow further. With our unified communication and collaboration towards services, we are adding more client as our valued customer. We also added more product in our product list from various region of the world. We have added other Transformer related parts like Bobbins, Enamel Wires, Ferrite Cores, Cables etc. Currently we represent following company/manufacturing in India.

- ▶ Shin Young electronics Co. Ltd. - South Korea
- ▶ Taiwan Polymer Industries Co. Ltd. - Taiwan
- ▶ Iskra Feriti d.o.o - Slovenia
- ▶ Shin Core Technology (HK) Ltd. - China
- ▶ Eilor Magnetic Cores - Israel

BUSINESS MODAL

Having full pledged office at Bangalore which is called as Silicon Valley of India and operating with limited staff. We have not employed more staff because not found necessary. We have all the necessary approvals to run our business including Import & Export on need basis.

Having very wide customer base in India in the field of Power Electronics and below are our few customers for reference.

- ▶ Bharat Electronics Limited.
- ▶ ITI Limited.
- ▶ Hindustan Aeronautics Limited.
- ▶ Sree Vishnu Magnetics Private Limited.
- ▶ Kapson Industries Ltd.
- ▶ Kerala Allied & Engineering Co., Ltd.
- ▶ Bharat Heavy Electricals Limited.
- ▶ Central Power Research Institute.
- ▶ Traab Engineering (India) Pvt Ltd.
- ▶ Salzar Electronics Limited.
- ▶ Shilchar Technologies Ltd.
- ▶ Hical Technologies Limited.
- ▶ Gastronix.
- ▶ Southern Electronics (India) Pvt Ltd.
- ▶ Presstech (India) Pvt Ltd.
- ▶ BHEL Electrical Machines Ltd.
- ▶ Gola Electronics.
- ▶ Saini Electronics.
- ▶ Pulse Magnetics & Power Electronics Pvt Ltd.

PRODUCTS :-

- a) Magnetic Cores for Electrical and Electronic Application.
- b) Active & Passive Components
- c) Magnet Wires.
- d) Mechanical components

PROJECTS:-

Involved in Design & Developing a CLIP Telephone for local market.
